

ANSHIKA MITTAL

PYTHON DEVELOPER

☎ +91-8923421921 ✉ anshikamittal806@gmail.com 🌐 <https://github.com/anshikamittal001>

Summary

Motivated Python Developer (Entry-Level) with hands-on knowledge of Python programming, data structures, and problem-solving concepts. Skilled in building basic applications and scripts using Python, with additional exposure to HTML and CSS for simple web development. Proficient in Advanced MS Excel for data handling and reporting. Eager to learn, improve performance, and contribute to real-world projects while growing as a Python Developer.

Skills

Programming & Querying: Python (Basics), Data Structures, SQL (Basics)

Web Technologies: HTML5, CSS3

Tools & Utilities: Advanced MS Excel, Git (Basic)

Analytical Abilities: Problem Solving, Logical Thinking, Basic Data Analysis

Experience

Frontend Developer Intern

01 June 2025 – 30 June 2025

Code Alpha (Remote)

Tools: HTML, CSS, JavaScript, Git, VS Code

- Built responsive and user-friendly web interfaces using modern UI practices.
- Implemented interactive components, form validation, and cross-browser layouts.
- Optimized web pages for performance, accessibility, and fast loading.
- Collaborated on real-world tasks, converting requirements into functional UI modules.
- Maintained version control and workflow using Git and VS Code.

Projects

Image Gallery Website | *HTML, CSS*

- Designed a responsive image gallery using HTML and CSS.
- Implemented clean layout and styling for better visual presentation.
- Focused on user-friendly design and responsiveness across devices.

Music Player Web Application | *HTML, CSS, JavaScript*

- Developed a simple music player with play, pause, and track control features.
- Used JavaScript for audio control and interactive functionality.
- Built a responsive interface for smooth user experience.

Technical Strengths

- Strong understanding of Python fundamentals and programming logic
- Hands-on experience with HTML and CSS for responsive web design
- Basic knowledge of data structures and problem-solving techniques
- Comfortable with Git and basic version control workflows

Education

Diploma in Computer Science and Engineering

2023 – Present

Janta Polytechnic, Jahangirabad

3rd Year (Pursuing)

Secondary (10th)

2022 – 2023

Maa Bhagwati International School
